

New Bern Parks and Recreation Needs Assessment

Needs assessments have been used to gain input from the community on new facilities, parks, programs, amenities, and special events. The information gathered from these assessments are used to prioritize goals and objectives and to secure support for funding of projects. These assessments are reviewed on a periodic basis. The department has undertaken the following assessments:

- Community Needs Assessment (2013)
 - *Mailed and online survey*
- Martin Marietta Park Survey (2018)
 - *Community Meetings, Online Survey*
- Down East Dog Park Survey (2019)
 - *Online Survey*
- Pleasant Hill Community Center Public Input (2019)
 - *Community Meeting*
- Monk Mallard Park Survey (2020)
 - *Online Survey*
