

## 4.7.4 – Recognition of Volunteers

### Volunteer Recognition

Volunteers are an essential part of New Bern Parks and Recreation. In July, 2019, our biggest Volunteer effort occurred with a Community Build Playground Project. Volunteers helped build the playground, paint, clean up, move dirt, etc. The work required from our volunteers was difficult, but they continued working hard to get the job done. To thank our volunteers, we provided lunch everyday during the build with snacks and drinks. We also gave each volunteer a Kidsville 2.0 t-shirt and we gave the groups/organizations social media recognition.

Kidsville 2.0 - Day#2. Special thanks to the Single Marines, New Bern Fire & Rescue, New Bern Yacht Club, Keller-Williams, and individual volunteers. Lots of progress, but a long way to go. A big thanks to the Flame for providing lunch and dinner for the volunteers.
